

Request for Proposal

RE: 2020-2021 Ford Transit Connect XLT Passenger Van

Company Background

AltaPointe Health Systems, Inc. oversees a community-based, regional system of mental health, substance abuse and intellectual disability service provision in Mobile, Washington, Baldwin, Talladega, Clay, Coosa, and Randolph counties of Alabama and also provides psychiatric hospitalization services in Baldwin and Mobile Counties. It operates various inpatient, outpatient, residential and partial hospitalization programs. It is a comprehensive, behavioral health system and is committed to meeting community needs by expanding service provision and enhancing the quality of life for everyone it serves.

Project Description

AltaPointe Health is currently seeking a Vendor to provide a vehicle to expand its fleet.

Special Requirements

If the vehicle's location is outside Mobile County and Baldwin County, the Vendor must be able to deliver the vehicle to AltaPointe Health's corporate office at 5750A Southland Dr., Mobile, AL 36693.
