

REQUEST FOR PROPOSAL

Company Background

AltaPointe Health Systems, Inc. is Alabama's largest and most comprehensive health and human services organization and psychiatric hospital system. We are the second largest in the southeastern US serving Mobile, Baldwin, and Washington counties in south Alabama and Clay, Coosa, Randolph, and Talladega counties to the north. AltaPointe has been and continues to be the catalyst in transforming mental health into the mainstream of integrated healthcare in our region. We provide more than one million services each year through our psychiatric hospitals, community mental health centers, primary care services and specialized programs which include substance use, intellectual disability, and telehealth services.

Project Description

AltaPointe Health is currently seeking a vendor to provide a vehicle to expand its fleet.

Special Requirements

If the vehicle's location is outside Mobile County, the Vendor must be able to deliver the vehicle to AltaPointe Health's corporate office at 5750A Southland Dr., Mobile, AL 36693.

Specifications

AltaPointe Health Systems, Inc. requests a 2020-2021 Ford Transit Connect XLT Passenger Van with the minimum following specifications:

Exterior

- Doors – sliding side
- Color – preferably white, but willing to accept other colors besides red and yellow

Interior

- Upholstery – no cloth
- Flooring – no carpet
- Multiple seating

Functional

- Power steering
- Power doors and locks
- Keyless entry
- Must have all available safety features
